KCER MEETING MINUTES

Date: June 22, 2009	Time: 5 PM ET	Location: Conf call	
----------------------------	----------------------	----------------------------	--

TOPIC	DISCUSSION	PLAN OF ACTION	RESPONSIBLE	DUE
Review of minutes	Norma reviewed the minutes from last meeting. Sherilyn gave an overview of the Listserv and how it works		Norma Gomez	September
Dialysis Strike Team	Dr. Kopp reviewed the process. The team is performing a gap analysis to see the feasibility of a Dialysis specific Strike Force. They are reviewing different scenarios. They are looking at the number of facilities and the number of patients. Transportation will again be an issue if patients need to be moved due to facility closures. They are trying to identify core areas and how much capacity each has. Patrice remains on that team to coordinate between the two teams			
Training	Discussion about required courses continued. It was suggested that the Red Cross also has some courses. Team to review before next meeting.	Review training	All	
H1N1 update	The patient tracking team is working on zip code lists and assessing special needs shelters.			

Charter and Call tree	No additional comments.	Finalize by next call	Norma Gomez	
ANNA	The committee expressed thanks to ANNA for providing exhibit space at their Fall and Spring meeting			
Miscellaneous	Network 18 is collecting data on the new CfC condition regarding facility and EOC communication. Lana will report back next call.		Lana Kacherova	
Next meeting	Tentative in September 2009 at 5 PM
