2017 Large Scale Cyber Attack: Update

CMS EPRO, along with CMS cyber security personnel, continues to support the HHS Emergency Management Group and the collective response to the 2017 Large-Scale Cyber Attack. Below is an update as of 8:45 AM EDT, Monday, May 15, 2017.

Should you receive incoming calls related to this incident, this is the message from the Secretary's Operations Center for the private sector.

Here is the messaging for agencies with private sector contacts.

[If you are the victim of ransomware or have cyber threat indicators to share](#)

If your organization is the victim of a ransomware attack, please contact law enforcement immediately.

1. Contact your [FBI Field Office Cyber Task Force](#) immediately to report a ransomware event and request assistance. These professionals work with state and local law enforcement and other federal and international partners to pursue cyber criminals globally and to assist victims of cyber-crime.
2. Report cyber incidents to the US-CERT and [FBI's Internet Crime Complaint Center](#).
3. For further analysis and healthcare-specific indicator sharing, please also share these indicators with HHS' Healthcare Cybersecurity and Communications Integration Center (HCCIC) at HCCIC_RM@hhs.gov
