

PREP RALLY

OVERVIEW FOR FACILITIES

The KCER *Prep Rally* campaign is a fun way to get patients engaged in emergency preparedness. The campaign fits squarely within your facility’s goal to provide resources to patients about emergency preparedness, including last year’s CMS rule to increase patient safety during emergencies, and establish a more coordinated response to natural and man-made disasters. This campaign is designed to get patients **talking** with their care team, family, neighbors, and friends about their plan should there be an emergency or disaster.
